Champions Ranch Team

Not a resort. Something you have to feel.

Thank you for considering Champions Ranch for your team's stay.

We are glad you reached out, and we have put together a plan we think will land well with your group of 150.

Here is what we are not. We are not a luxury resort. We are not a theme park. Champions Ranch is a working experience center on the edge of Bangalore, 30 minutes from Sarjapur Road, where corporate teams come to step back, breathe, and spend time that actually matters. Horses, open fields, wellness, fire, farm-table meals, real conversation. No projectors. No forced icebreakers.

What follows is a one-night, two-day plan built around your group size, with accommodation, full board, and the complete adventure menu. The commercials are clean and itemised. The experience is designed for your team to unplug, connect, and leave changed.

WHAT YOU GET

- ✓ Open sky, red earth, and room to breathe
- ✓ Horses, fire, water, and the full activity menu
- ✓ Farm-table meals, served warm and unhurried
- ✓ A team that leaves talking differently

WHAT YOU SKIP

- ✗ Conference rooms and projector cables
- ✗ Forced icebreakers and trust falls
- ✗ Resort gloss with nothing underneath
- ✗ The offsite no one remembers by Monday

Simple to confirm

- 1 Validity.** This proposal holds for 30 days from the date of issue. Pricing is reviewed after that against the season and your final dates.
- 2 Pricing.** All figures are in Indian Rupees and itemised above. GST at 18% is shown separately. Per-guest cost is based on the full group of 150.
- 3 Headcount & menu.** Final headcount, dates, and menu selections are confirmed ahead of arrival. We will share the full veg and non-veg menu for selection.
- 4 Make it yours.** Anything here can be reshaped: capacity, food, activities, evening programming. We will make it fit your team.
- 5 To confirm.** Reach out and our team will hold your dates and walk you through booking and advance details.

This is what an offsite looks like when no one is performing. Teams arrive in the evening, settle in around the fire, and by the next afternoon something has shifted. People talk differently. They listen longer. They leave changed.

If anything here needs reshaping, we will make it fit your team. Looking forward to hosting you at Champions Ranch.

Warm regards,

Champions Ranch Team
